Made in Italy

Since 1867, Somma, has expressed a character of outstanding manufacturing excellence, linked to Italian sophistication.

Defined by craftsmanship and constant innovation, Somma 1867, continues to offer sophisticated linens and accessories for a unique experience.

We use the finest raw materials which are internally woven and finished with the utmost care to create refined and distinctive items, guaranteeing the highest quality standards.

Our attention to detail generates unique products.

The utmost care for the sewing process is transformed into sartorial masterpieces. In order to satisfy our most refined clientele, we created La Suite, a division of Somma 1867.

La Suite expresses the concept of luxury by whispering the elegance and excellence of Made in Italy rooted in our history.

Sophisticated elegance and a deep search for exclusivity: the bespoke concept of La Suite knows no boundaries.

La Suite made-to-measure concept, offers the customization of each decorative element.

From the choice of fabric, color, finishing to the chosen embroidery; from the finest wools worked in exclusive jacquard motifs to the finest cotton sateen and percale.

Each product represents a unique creation.

La Suite offers its customers a wide range of high-quality products to furnish every environment in private mansions, hotels, yachts and jets.

La Suite offers the noblest and refined fabrics for the bedroom, such as:
percale, sateen, linen, cashmere and lambswool merino.
